

# Criteria for Participating in TTEA Sponsored Clinics

Riders are to be chosen in the following manner:

- Riders must be competing, with the riders in the higher levels getting precedent over the riders in the lower levels.
- Precedence will also be given to coaches, then horse owners, then riders who leased horses, then riders that competed on riding school horses.
- Riders who are team members or potential team members, (whether in jumping or dressage) will get precedence over riders who still developing in that area and that can be helped by our local coaches.
